INDEPENDENT AUDITORS' REPORT

To the Members of PetSmart Charities of Canada

We have audited the accompanying financial statements of PetSmart Charities of Canada, which comprise the statement of financial position as at February 1, 2015 and the statements of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of PetSmart Charities of Canada as at February 1, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Other Matter

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities – PetSmart Charities of Canada (“Organization”) is a registered charity incorporated under letters patent under the Canada Corporations Act in 1987 and is exempt from tax under the provisions of the Income Tax Act (Canada). In fiscal year ended 2014, the Organization completed a legal reorganization to comply with the Canada Not-for-profit Corporations Act. As a result the Organization established one member, PetSmart Charities, Inc., a related party, as its sole member.

The Organization strives to improve the quality of life for all companion animals by creating and supporting programs that save the lives of homeless pets and promote healthy relationships between people and pets.

Summary of Significant Accounting Policies

Basis of reporting – The Organization has prepared these financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (“ASNPO”), which are a part of Canadian generally accepted accounting principles (“GAAP”). All amounts are stated in Canadian dollars.

Fiscal year – The Organization’s fiscal year ends on the Sunday nearest January 31st. The fiscal years ended in 2015 and 2014 comprised 52 weeks.

Revenue and expense recognition – The Organization adopted a policy change during fiscal year ending 2015 changing from the deferral method to restricted fund method. There were no restricted funds in prior years therefore this policy change had no material impact to fiscal year ended 2014.

The Organization follows the restricted fund method of accounting for contributions. Unrestricted general donations are recognized as revenue of the Operating Fund in the year received. Restricted contributions are recognized as revenue in the Restricted Fund in the year received. Unrestricted interest and other investment income are recognized as revenue when earned.

Expenses are recognized when an expenditure or previously recognized asset does not have future economic benefit, there is an appropriate basis of measurement and a reasonable estimate of the amount involved can be made. The costs of providing the various programs and other activities of the Organization have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on goods and services received under the management services agreement (Note 2) and other appropriate allocation methods.

The Organization earns royalty income from certain campaigns in which intellectual property of the Organization is licensed and recognized as revenue as it accrues in accordance with the terms of the relevant agreement.

Contributed services and in-kind donations – The fair value of contributed materials, services and store space that would otherwise have to be purchased is recognized as revenue with a corresponding expenditure. The Organization recorded approximately \$915,000 and \$890,000 for the years ended February 1, 2015, and February 2, 2014, respectively, of contributed rent, other goods and services, supplies, office space, utilities, and management personnel (see Note 2).

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash – Cash includes cash deposits in banks. The Canadian Deposit Insurance Corporation (“CDIC”) insures all deposits held in Canadian banks up to \$100,000. Any amount above this would be uninsured and subject to risk. There was approximately \$2,308,000 of uninsured deposits as of February 1, 2015. The Organization’s cash accounts were placed with high-credit-quality financial institutions, and accordingly, the Organization does not expect to experience non-performance.

License agreement – License agreement is carried at cost, net of any related amortization. Amortization is being recognized over the five-year agreement term (see Note 2).

Property and equipment and related depreciation – Purchased property and equipment is recorded at cost. Donated property and equipment is recorded at fair value at the date of contribution to the organization. Maintenance and repairs are charged to operations when incurred. Betterments or renewals in excess of \$3,000 and which have a useful life greater than one year are capitalized. When property and equipment is sold or otherwise disposed of, the asset and related accumulated depreciation accounts are relieved, and any gain or loss is included in operations. Depreciation is computed using the straight-line method over the following estimated useful lives of capital assets ranging from 3 – 7 years.

Financial instruments - recognition and measurement

Initial measurement

The Organization’s financial instruments are measured at fair value when issued or acquired. For financial instruments subsequently measured at cost or amortized cost, fair value is adjusted by the amount of the related financing fees and transaction costs. Transaction costs and financing fees relating to financial instruments that are measured subsequently at fair value are recognized in operations in the year in which they are incurred.

Subsequent measurement

At each reporting date, the Organization measures its financial assets and liabilities at cost or amortized cost (less impairment in the case of financial assets). The financial instruments measured at cost are cash, accounts payable, and accruals and amounts due to and from related parties.

For financial assets measured at cost or amortized cost, the Organization regularly assesses whether there are any indications of impairment. If there is an indication of impairment, and the Organization determines that there is a significant adverse change in the expected timing or amount of future cash flows from the financial asset, it recognizes an impairment loss in the statement of operations. Any reversals of previously recognized impairment losses are recognized in operations in the year the reversal occurs.

Use of estimates – The preparation of the Organization’s financial statements requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications – Certain previously reported amounts have been reclassified to conform to the current-year presentation. The principle reclassification is associated with PetSmart, Inc. contributed goods and services and the administrative management services.

These transactions occurred at rates as mutually agreed and were recorded at fair market value.

The fees paid to PetSmart are capped annually and the value of contributed rent, other goods and services, supplies, office space, utilities, and management personnel received by the Organization under the agreement exceeds the payments made to PetSmart, Inc. The Organization recorded management fees of approximately \$222,873 and \$159,000 for the years ended February 1, 2015, and February 2, 2014, respectively, to PetSmart Charities, Inc.
